North Bonneville, WA 98639

RE: City of North Bonneville Complete Streets ADA and Trails Project

Mayor and Council,

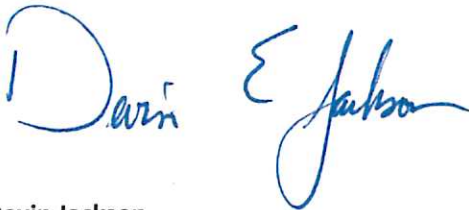

This letter is to recommend the Council vote to confirm Final Acceptance of the Complete Streets ADA and Trails Project, per specification 1-08.5 of the project manual.

Jackson Civil Engineering (JCE) has confirmed that all statement of intents and affidavits of wages paid have been submitted and approved by Washington State Labor and Industries. Physical completion letters have been sent to the contractor and the final estimate confirmed and paid.

The date of final acceptance will begin the one-year warranty period for the project. After final acceptance staff may submit a notice of completion to the relevant state agencies.

Please note that voting to approve final acceptance of the project does not imply release of Payment, Performance, or Retainage Bonds. The City of North Bonneville must receive all releases as required by State Law and the Specifications prior to their release.

Sincerely,

A handwritten signature in blue ink, appearing to read "Devin Jackson", is written over a faint, larger blue outline of the same signature.

Devin Jackson
Principal Engineer
